Queens Arcade Leeds is located within the prime pedestrianised area of Leeds City Centre and is one of the main thoroughfares linking The Victoria Quarter and Harvey Nichols on Briggate.

The Arcade was built in 1889 with Grade II Listed Victorian architecture that offers a characterful place to shop and eat and is home to some well-known niche independent retailers. The Arcade has recently been comprehensively refurbished and re-branded. It offers a unique opportunity in the heart of Leeds City Centre in a location recognised for its quality and variety of multiple and independent occupiers.

“Leeds is the UK’s fastest growing city and is the main driver of a city region with a £64.6 billion economy, a combined population of 3 million and a workforce of 1.37 million. Over the next ten years, the economy is forecast to grow by 21%...”*

Leeds has become a hub for creativity with shops, restaurants and events that recognise the city’s industrial past while looking towards an exciting future, notably with the redevelopment of landmark buildings on Briggate in the coming years to bring more residents and national retailers to the centre.

LeedsBID has pledged £14m of investment for Leeds up to 2025 further driving commercial investment through added value into the city centre.

As well as long standing tenants such as Levi Strauss, Olive & Rye, Cancer Research and Pop Boutique, the Arcade is host to new names such as Oclae, Lay Tea, Dr. Martens, Hays Travel, Poco Loco, Movemen, Shwarma Kingdom and Olive & Thai.
